Non-Atmospheric Gauge Hatch

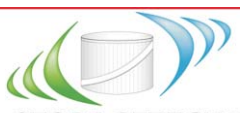

model number 220

Product Description

STORAGETECH® Non-Atmospheric Gauge Hatch Model Number 220 is a specially designed ultra performance gauge hatch that is unlike others on the market; it prevents liquid to be incontact with the atmosphere. It minimizes the vapor losses and odor. This safety device has a special locking system that prevents unauthorized access to the storage tank. They are typically mounted to a flange, which connects the vapor space of a storage tank.

Product Benefits

- StorageTech Sampling Gauge Hatch Closed to Atmosphere Model Number 220 prevents evaporation losses.
- Protect s environment. Model Number 220 prevents green house gasses from mixing the atmosphere, and minimizes the product odors around the surrounding area.
- PVV provide safety for your storage facility. Model Number 220 protects your storage tank.
